Hi Sue

I've left messages to find out whether the deaths were HPT patients (or predecessor org) or if any of our staff are being called but have had no response to date. The meeting is in my diary but I only plan to attend if there are issues for HPT. Any light you can shed would be helpful.....!

hi Catherine

Did you find out any more about why you have been involved in this issue? I note that you have been invited to the meeting on 7 July. Will you be attending?
