£ 10/6, emailed Elaine

East Hants PCT were responsible for DMOPs before us but will check that they were since 1996. We took over DMOPs on 1 October 2006 as part of reconfiguration.

Dear Sue

In advance of the meeting to discuss the forthcoming inquest I think it would be helpful to give some thought as to whether (or not) it should really be PHT who investigates/pays - the answer may be yes to both but it is at least worth considering whether there are any options. With that in mind could you try and find out the following

1. Which Trusts were responsible for GWMR from 1996 to date?
2. When did PHT take over responsibility for DMOP and why - was it part of reconfiguration?

Thanks

jacquie

Dear all

You will not be surprised to hear that in DMOP we are anxious to make sure that all staff who will be affected by the GMC hearing and the inquest have the appropriate support from us all. We also need to be ready to face any media enquiries

Ann, Kim and I would like to invite you to an initial meeting, where we can agree a small core steering group and an outline action plan.

Pat can you please set up a meeting, within the next few weeks fro everyone named above in to and cc + plus me. Once you have the date please put a copy of this email in my B/F for the week before with a reminder to draft an agenda.

Thanks All
