As I understand it, the nurses involved were employed by Medicine for Older People service at the time (East Hants PCT), but one or two of them now work for Hampshire PCT. They will need support and time off etc. to attend inquests. I don't know the names or numbers at the moment, but Elaine could probably fill you in on that.

I've seen a couple of emails about this but I'm in the dark. Can someone give me a briefing about this to determine if this is a priority for me to attend any meeting you might be thinking of arranging. Thanks
