Hi Ben

Yes, I do. I've had a call from Sue Skye along the same lines and it might also involve Hampshire Partnership, Catherine Watson.

At the moment all we know is what has been released by the Coroner in the media. And we're not expecting any more from him for at least a week.

As far as the Nursing and ancillary staff are concerned, they continue to be supported by the RCN staff rep and a solicitor and barrister. This is ongoing from the earlier police and other investigations and we have been assured this will continue.

Can I get back to you next week and perhaps at some time fairly soon we can get together with Sue and Catherine?

Is that OK for now?
