Kim, the three nursing staff are Freda Shaw (DDH); Anita Tubritt and Beverly Turnbull (F3). Betty Woodland has been in touch with Freda Shaw after she contacted her, we are not sure if she has contacted the other 2 staff. Vivien

Hi Neil, Alison Grant telephoned me yesterday after bumping into Toni Scammel, to explain that on the Portsmouth News website and on local radio and TV details being released about GWMH Investigation. I have printed off the information on the Portsmouth News website and collectively on F2/ F3 and DDH we will support the staff involved as able. Vivien
