Dear All

I spoke to Sue about this yesterday and asked that she prepare a brief on the process likely to be involved and to identify the time, skills and therefore resources required to support. She will no doubt be taking advice from Jacquie on implications of this announcement.

regards  
 Patricia

Dear Patricia/Graeme

I suggest that this could potentially be a huge task for the Trust.

With that in mind, we need to think about a plan for how we are going to manage the situation.

The resources within Legal Services (inc our Solicitor) are certainly not sufficient to cope with this as well as their 'day jobs' and additional dedicated support may well be required to cover this period of activity.

Kind regards

Sheena
