Importance: High

Sorry Peter. I had to dash off early on Friday afternoon as my father was taken ill and have only just read this. I really don't know anyone at the SHA and you may be able to obtain an answer quicker than I could. If you are able to, please either let me know on my mobile Code A or Patricia.

Dear Sue

Sorry not to have replied earlier but I have been busy all morning. Do you know of a similar person to yourself at the SHA? If you do, you might want to contact them and pose the question suggested by Tim Winn. If you would prefer, I am quite happy to make the enquiry on behalf of PHT.

Let me know because it is now 3.14 on a Friday afternoon and you meet with Richard Samuels on Monday - it would be quite nice to have some clarity from the SHA before that meeting.

Regards,

Peter

What do you want to do about the Legal Responsibility paragraph - particularly the last two sentences?
