Good morning Code A

Further to our conversations yesterday, I have now had an opportunity to speak with Richard and confirm that Richard, Code A and I are able to meet with you on Monday 5th at 9.15 at Queen Alexandra Hospital, in the Quad Centre unless you advise a different venue.

We believe that we will need an hour, and that Richard and Peter will need an opportunity for a brief discussion together between 10.15 and 10.30.

We therefore propose that Stuart joins for the steering group pre-meet at 10.30, before the steering group meeting at 11 am. As you suggest, if there are any outstanding issues from the morning, there will be an opportunity to meet with you again after the steering group meeting.

I will respond separately to Stuart on the proposed pre-meet agenda.

We look forward to meeting with you and Jill on Monday.

Regards
