Dear Mary

Please find attached PHT's CHI recommendations position statement which has been approved by the Medical Director, Graeme Zaki – I am assuming that the deadline for Board approval was deemed unrealistic by the SHA and indeed Graeme has approved as Medical Director and Executive Lead for (Clinical) Governance. It takes up a lot of memory I am afraid as it has the evidence documentation embedded.

Regards  
 Patricia

Cc Gill – for information and to be aware as DSN and Governance op lead  
 Neil – final version of document Lesley and I worked on, with help from

You both should note areas where work in train and progress should be included in Governance reports to Governance and Quality committee. (eg Stroke / dysphagia training for staff, etc).
