A Proposal For A Clinical Audit Of Deaths At Gosport War Memorial Hospital

Dear Ms Brackett

Please find enclosed a completed application form. Also included is an outline for the audit proposed, and a copy of the letter from the Chairman of the Local Research Ethics Committee.

I presume you will be invoicing us for the charge of the form. The costs for the tracing may either be sent to me or passed on directly by Peter Goldblatt to the Department of Health.

VAT information will follow. I have spoken to the University's VAT office, and the matter is being thoroughly investigated.

Yours sincerely

Professor Richard Baker
Director
Clinical Governance Research & Development Unit
