

Sir Liam Donaldson
Chief Medical Officer
Department of Health
Richmond House
79 Whitehall
LONDON
SW1A 2NS

PRIVATE & CONFIDENTIAL

20th December 2002

Gosport war Memorial Hospital

I enclose a copy of the letter that has just reached me via Wellington House. I do not plan to reply to it and you will probably be aware of the concerns of local general practitioners, but you will wish to see this correspondence. Dr Knapman is a practice partner of Dr Barton.

Yours sincerely

Professor Richard Baker
Director
Clinical Governance Research & Development Unit
