Dear Professor Baker

Deaths at Gosport War Memorial Hospital: Dr Jane Barton

I write following a meeting I have held with relatives of a number of those who lost their lives at Gosport War Memorial Hospital back in the 1990s.

I understand that you were commissioned to prepare an Epidemiological report into the deaths at Gosport War Memorial Hospital. I understand that this report was submitted to the Department of Health and to Hampshire Police in 2003.

This report has never been put into the public domain and relatives of those who lost their lives remain extremely concerned about the failure of the authorities to properly investigate the deaths of their loved ones.

I wonder whether there is any means by which you would be able to provide me with a copy of that report, given its absolute significance and importance in terms of establishing the facts in these cases and allowing the relatives to secure closure following the tragic deaths of their loved ones.

I would be very happy to talk to you about this matter. My mobile number is

I look forward to hearing from you as soon as possible.

Yours sincerely,

Norman Lamb MP

Liberal Democrat Shadow Secretary of State for Health
