I will sign the BMJ form if it comes by Friday. If not it will have to await my return to the office at the end of October!!

David has signed his BMJ forms, and they either will arrive with you today, or are in the post to you. Can you sign the relevant bits and post off to BMJ in the envelope provided.

I am getting David's signature on the HES form this morning. Do you have any further instructions about this form?

Richard
