Following a telephone with Sir Liam yesterday I can confirm that Dr B agreed to refrain from providing in patient medical care for patients at Gosport Hospital in of out of hours, from February 2002. This agreement was reconfirmed in July 2002. She is not now admitting patients to the hospital in any capacity. The death cert which Prof Baker uncovered was dated 25th December 2001 and appears to predate the agreement. Can you pass this on to Liam on his return and let myself or Mike know if there is any further action needed.

Yvonne Arthurs.
