Dear Professor Baker,

You may recall we have met previously with regard to Operation Rochester and the enquiries being conducted by Hampshire Police at the Gosport War Memorial Hospital. A file has now been passed to the CPS and is being reviewed by Treasury Counsel. They have asked if you are able to expand upon the comment in your statement that the patients might have recovered had they not been given opiates. Of particular note are the cases of CUNNINGHAM and WILSON and to ascertain if your comments extend to these particular patients.

I fully appreciate that this will take some time for you to review and whether or not you are able make comment as asked. I would be grateful if you would have time to consider these matters by the end of November. Of course please feel free to contact me or DS Roy Stephenson at any time.

I trust life is treating you well,

Kind regards

Anthony Tenison
