Richard

The report was sent on 28 October to the police and to Gareth Cruddace/Simon Tanner at the SHA, both in strict confidence. Steve Watts at Hampshire Constabulary suggested a meeting with CMO when he has had time to consider the report - this is likely to take place mid-late November. I agree that the police may well seek a meeting with you at some stage - do let me know if you need any advice about that. I am happy to keep you informed of developments if that would be helpful.

Mike

Has the report been sent to the police now? I would be grateful for confirmation; they may wish to discuss some aspects with me.

Thanks
