Richard,

again thank you. I will be away from the office for the next two days but contactable on 07789 397437. However if the interviews finish between 4pm and 5pm we could see you then if convenient. We would also like to produce a full copy of your report as an exhibit, the ones we currently hold all have a large number one printed on each page. It is possible that you could provide us with an "original" for want of a better word.

The interviews will finish between 4.00 - 5.00. At present, I do not know when I will be able to get away from the meeting in London. It is something I must attend, but may be able to leave early. The interviews are immovable, so it is difficult to predict how much time there will be midday. I will try to get more details in the next day or so.

Richard,

thanks. We fully accept that we would need to fit in with you. If you think that there a window of 25 mins either in the middle or at the end of your day then I would be grateful if you would see us. We would be able to productively fill our day so please don't worry if you feel that the end of the day would be better.

My commitments on Wednesday start with a meeting in London; I then have to be back in Leicester to take part in interviews for a post in the department. This will start around 1.45. The possibility of reading a document will depend on the time I can get away from the London meeting. I will investigate the options.

Dear Prof Baker,

As agreed you are kindly seeing us at work next Tuesday afternoon. Together with the notes we take from you then and the documents you have already prepared Owen and I will be able to produce a detailed statement. We hope to do this on Tuesday evening and Wednesday morning with a view to you reviewing it on the Wednesday. This should only require a small amount of time, i.e. however long it takes you to read. We could then print it and conclude our business with you. I would therefore be grateful if you could indicate if you are able to see us for a short period in the lunch/afternoon/evening of Wednesday.

Kind regards

Anthony
