Dear Professor Baker

Karen Richards has forwarded me your email as I'm now back at work.

I will be in the office on Monday from 7.30am and would be happy to give you a call at home then then or at an agreed time suitable to yourself. Please advise.

Regards

Jim

Dear Karen Richards

I was away from the office yesterday, and have picked up your message this morning (Friday). I will do my best to study the papers - can I speak to you by telephone early on Monday morning, or over the weekend?

My home phone number is Code A

I am at the Shipman Inquiry on Monday 13th, and will be giving evidence from 9.15. Therefore, it would be impossible to speak on the phone after that

time.

Dear Professor Baker

Re: Death Audit - Dr Gopal/Dr Lakshmi

I am forwarding the document below on behalf of Jim O'Brien of South Birmingham PCT as I understand you have kindly agreed to comment on it.

We are holding a multi agency review meeting on Monday 13th October and would appreciate your comments in time for this. Please accept my apologies for the short notice. We were expecting to receive the report by the end of September and as we are working to very strict deadlines we would greatly appreciate your co-operation with this.

I will put a hard copy in the post to you.

Please do not hesitate to contact me if you have any queries.

Kind regards.

Yours sincerely,

Karen Richards
