Dear Mr Code A

Thanks for the message. I will organise the draft document, although it may take a couple of weeks because of outstanding commitments. I hope this is satisfactory.

Dear Professor Baker,

Further to our telephone call yesterday, the basis of your statement would need to include the following;

- 1) A full list of your relevant qualifications and experience to date.
- 2) The reason you prepared the report and the terms of reference.
- 3) When it was prepared and what data was used.
- 4) Who else was involved in providing information that went directly into the report and specifically what that information was.

As I have previously said, I will ask you to produce a copy of your report in its entirety. Although some duplication is unavoidable I hope this will reduce it to a large extent.

Although there is no particular rush, if you can e mail me a word document that covers points 1-4 I will be able to prepare a draft statement for your consideration.

Kind regards

Code A
