Dear Sue + Catherine

Information requested - (please treat the attached information as confidential)

Please find attached the list of patient's whose deaths were investigated by the Police (Operation Rochester); information listing nursing + anc staff involved in the care of named patients at GWMH and the Coroner's press release which contains the names of those who he has opened and adjourned inquests on.

We don't know which clinicians the Coroner might want to contact but the Dr and MDT list attached is of those people the GMC were going to contact for their hearing so might be indicative. I don't have any more details or confirmation of who was contacted because the GMC made direct contact unlike with the nursing staff.

An agenda will be emailed later.

We don't have any of the medical records; these were retained by the Police and forwarded to the Coroner.

Regards

Elaine

Thanks Elaine. Following the meeting yesterday about GWMH Inquests, I was tasked to obtain a complete list of all the doctors and nurses involved, with details of who they now work for, or if they have retired or died, as some have I believe. Would you be able to provide such a list please?
