**Subject:** Medical Records

I have received two further requests for access to medical records which I have acknowledged. [Code A] in respect of [Code A] and [Code A] in respect of [Code A]. Understand Jan is on hols at the moment so will send down to you. In discussion with Fiona just a moment ago she advised that Police have siezed 60 sets of records. One of those requested ([Code A]) is on the list of those siezed. Have phoned to speak with Beverley to ascertain whether Police will be sending copies back) but understand she is off sick at the moment. Not sure how this particular one can be dealt with.

In internal post to you today. If you want me to do anything further please let me know.

Many thanks
