Re: Copies of Notes on **Code A**

The only consultant who has seen this patient is a locum Dr. I.J.Khwaja. I have phoned the GMC today and his current address is **Code A**

I have consulted Dr. Ian Reid (Medical Director) and he feels we should send a copy of these notes to Dr. Khwaja for his sanction. He recommends that we keep a set in reserve and if Dr. Khwaja doesn't reply/takes a long time could you please send them to Dr. Ian Reid to sanction release to his son.
