Hi all,

I have just spoken the SE CCG comms lead who has phoned through the GWMH inquest verdict. The coroner has stated that Mrs Richards' death was a result of four contributing factors:

- Her initial fall
- Treatment received at Haslar hospital
- Medication given at GWMH
- Old age

We will circulate a full copy of the verdict once we receive it.

Julia Barton is currently at the court and will do a media interview for ITV Meridian's evening bulletin at 6pm. We are not fielding any spokesperson.

Best wishes
Emma
