Subject: News Round Up: June 25

Categories: To do

Dear all,

Please find below today's news round up grid that contains coverage from regional print and broadcast websites and the BBC Health website.

Media June 25	Headline – click to view	Story
Southern Daily Echo	Chiefs look for ways to save hospital cash	HOSPITAL chiefs in Winchester are looking for ways to save money as the NHS tightens its national purse strings.
Southern Daily Echo	Anger as MPs say no to fluoride review	IT was a plea from 15,000 residents – but one that looks set to be ignored.
Portsmouth News	Families should get the support that I never had	A mum whose son is deaf and blind has called on the government to do more for families like hers.
Portsmouth News	Hampshire pensioner left for 90 minutes by ambulance service	An injured 96-year-old woman was left shivering on the pavement for over an hour – while an ambulance crew had a meal break.
Aldershot News	How 999 response times are recorded	THE ambulance service across Get Hampshire is stopping its response-time clock to 999 calls if

		someone nearby is prepared to use potentially life-saving equipment on a patient.
Dr Barton's GMC hearing media coverage:		
Portsmouth News	I quit over prescription of drugs, says nurse	Mrs Holman told a hearing in London that she had launched the hospital's official grievance procedure against Dr Jane Barton and Sister Gill Hamblin. ...
The communications team reviews the following newspapers' websites daily: Daily Echo (Southampton), Daily Echo (Bournemouth), The News (Portsmouth), Forest Journal, Hampshire Chronicle, Romsey Advertiser, Basingstoke Gazette, Aldershot News, Farnborough News, Alton Herald, Petersfield Herald, Petersfield Post, Bordon Post, Bordon Herald, Surrey and Hants Star, Andover Advertiser, Fleet News, Sandhurst News and Mail, Yateley News and Mail, BBC South Today and ITV Meridian.		
<i>Top National Health Stories</i>		
BBC Online	Genetic cholesterol test warning	Thousands of people in England are unaware they may have a high genetic risk of heart disease because testing is patchy, doctors warn.
BBC Online	Aneurysm screening study boost	Plans to screen 65-year-old men in England for a potentially fatal blood vessel condition could halve deaths, analysis shows.
BBC Online	Alcohol link to one in 25 deaths	One in 25 deaths across the world are linked to alcohol consumption, Canadian experts have suggested.
Statements issued by the communications team		
Basingstoke Gazette – Wanted a comment about varicose vein operations.	Dr Stuart Ward Clinical Director of NHS Hampshire Said. “Evidence demonstrates that surgical treatment for varicose veins is beneficial when the patient has bleeding of the vein, a recurring venous ulcer or one that hasn't responded to treatment. NHS Hampshire therefore funds surgical treatment in all such cases.”	

Many thanks
Laura
