Dear Claire

Please can you file the enclosed in box HPCT/GWM/0010 which is in storage. (I now see from my records that box HPCT/GWM/0011 is still with the General Medical Council.) If it won't fit in box 0010, any other of the GWM boxes would be appropriate providing you let me know which one it's in.

With many thanks

10361741

8 D 0308.

Yours sincerely

Liz Hatch
